BIO

Dr. Sallie Ann Keller is chief scientist and associate director of the U.S. Census Bureau’s Research and Methodology Directorate. She also holds an endowed distinguished professorship in biocomplexity and faculty appointments in the School of Medicine, Department of Public Health Services; School of Engineering and Applied Science, Department of Engineering Systems and Environment; and School of Data Science at the University of Virginia (UVA).

As chief scientist, Keller leads the Research and Methodology Directorate’s research centers, each devoted to domains of investigation important to the future of social and economic statistics. The directorate collaborates with teams across the U.S. Census Bureau and with researchers worldwide to develop innovative scientific solutions and advances to ensure the Census Bureau remains a leader in economic and social measurement.

Keller is a nationally recognized research scientist with expertise in social and decision informatics, statistical underpinnings of data science, and data access and confidentiality. She is a leading voice in creating the science of all data and advancing this research across disciplines to benefit society.

Her prior positions include director of the Social and Decision Analytics Division within UVA’s Biocomplexity Institute and Initiative; professor of statistics and director of the Social and Decision Analytics Laboratory within the Biocomplexity Institute of Virginia Tech; academic vice president and provost at the University of Waterloo; director of the Institute for Defense Analyses Science and Technology Policy Institute; the William and Stephanie Sick Dean of Engineering at Rice University; head of the Statistical Sciences group at Los Alamos National Laboratory; professor of statistics at Kansas State University; and Statistics Program director at the National Science Foundation.

Keller is an elected member of the U.S. National Academy of Engineering. She has served as a member of the National Academy of Sciences Board on Mathematical Sciences and Their Applications and the Committee on National Statistics, and as chair of the Committee on Applied and Theoretical Statistics. She is a fellow of the American Association for the Advancement of Science, an elected member of the International Statistics Institute, and a fellow and past president of the American Statistical Association. Keller earned her B.S. and M.S. in mathematics from the University of South Florida and her Ph.D. in statistics from Iowa State University.

EDUCATION

Ph.D. in Statistics, 1982, Iowa State University of Science and Technology, Ames Iowa, 50011

M.S. in Mathematics, 1979, University of South Florida, 4202 E. Fowler Avenue, Tampa, FL 33620

B.S. in Mathematics, 1978, University of South Florida, 4202 E. Fowler Avenue, Tampa, FL 33620

EMPLOYMENT

2022–present U.S. Census Bureau, Chief Scientist and Associate Director of Research and Methodology Directorate, Suitland, MD

2018–present University of Virginia, Biocomplexity Institute and Initiative, Distinguished Professor in Biocomplexity and School of Medicine Professor of Public Health Sciences, Charlottesville, VA

2018–2022 University of Virginia, Biocomplexity Institute and Initiative, Social and Decision Analytics Division Director, Charlottesville, VA

2013–2018 Virginia Tech, Biocomplexity Institute, Social and Decision Analytics Laboratory Director and Professor of Statistics, Blacksburg, VA

2012–2013 University of Waterloo, Vice President Academic and Provost and Professor of Statistics, Waterloo Ontario, CA

2010–2012 IDA Science and Technology Policy Institute, Director, Alexandria, VA

2005–2010 Rice University, George R. Brown School of Engineering, William and Stephanie Sick Dean of Engineering and Professor of Statistics, Houston, TX

1998–2005 Los Alamos National Laboratory, Statistical Sciences Group, Group Leader, Los Alamos, NM

1996–1998 Kansas State University, Department of Statistics, Professor and Director of Graduate Studies, Manhattan, KS

1994–1996 National Science Foundation, Division of Mathematical Sciences, Statistics and Probability Program, Program Director, Ballston, VA

1989–1996 Kansas State University, Department of Statistics, Associate Professor, Manhattan, KS

1990–1998 Kansas State University, Institute of Social and Behavioral Research, Statistical Design and Analysis Unit, Director, Manhattan, KS

1985–1989 Kansas State University, Department of Statistics, Assistant Professor, Manhattan, KS

1983–1985 University of North Carolina at Greensboro, Department of Mathematics, Assistant Professor, Greensboro, NC

1979–1983 Iowa State University, Department of Statistics, Research Assistant, Ames, IA

1978–1979 University of South Florida, Department of Mathematics, Teaching Assistant, Tampa, FL

COURTESY APPOINTMENTS

2021–present University of Virginia, Engineering Systems and Environment Department, Courtesy Professor, Charlottesville, VA

2020–present University of Virginia, School of Data Science, Courtesy Professor, Charlottesville, VA

2010–2015 Rice University, Department of Statistics, Adjunct Professor of Statistics, Houston, TX

1989–1995 Kansas State University, Department of Computer and Information Sciences, Adjunct Professor, Manhattan, KS

PROFESSIONAL MEMBERSHIPS

- American Statistical Association (ASA)
- American Association for the Advancement of Science (AAAS)
- Institute of Mathematical Statistics (IMS)
- International Statistical Institute (ISI)
- Population Association of America (PAA)

HONORS

- Samuel S. Wilks Memorial Award in recognition of her outstanding contributions to the field of statistics, American Statistical Association, 2021
- Elected Member of the National Academy of Engineering, 2020
- Elected Member of Virginia Academy of Science, Engineering, and Medicine, 2020
- Elected Member of International Statistical Institute, 2012
- Jerome Sacks Award for Outstanding Cross-Disciplinary Research, National Institute of Statistical Sciences, 2010
- John V. Atanasoff Research and Discovery Award, Iowa State University, 2009
- Fellow of the American Association for the Advancement of Science, 2005
- National Associate of the National Academy of Sciences, 2002
- Founder's Award American Statistical Association, 2002
- Fellow of the American Statistical Association, 1997
- Director's Award for Outstanding Program Management, National Science Foundation, 1996
- Kansas Academy of Sciences Lecturer, 1993
- Mu Sigma Rho Statistics Award, Iowa State University, 1982
- Pi Mu Epsilon Outstanding Scholar Award, University of South Florida, 1982

EDITORIAL SERVICE

- Inaugural Editorial Board, *Harvard Data Science Review*, 2018-present
- Editorial Advisory Board, *Journal of Privacy and Confidentiality*, 2009-2011
- Associate Editor, *Statistical Science*, 2001-2008
- Guest Editor, special issue of *Statistical Science* on Reliability, 2004–2005
- Associate Editor, *Journal of Computational and Graphical Statistics*, 1996–1999
- Associate Editor, *Journal of the American Statistical Association*, 1991–1994
- Management Committee, *Journal on Computational and Graphical Statistics*, 1993–1995
- Founding Editor, *ASA Statistical Computing and Statistical Graphics Newsletter*, 1990–1992

SERVICE TO THE PROFESSION

NATIONAL ACADEMIES

- Division of Earth and Life Sciences, committee member, 2022–present
- Board on Research Data and Information, committee member, 2022-present
- Committee to Review of Capabilities for Detection, Verification, and Monitoring of Nuclear Weapons and Fissile Material, Chair, 2020 - 2022
- Committee on Social and Behavioral Sciences for National Security: A Decadal Survey, Board on Behavioral, Cognitive, and Sensory Sciences, Division of Behavioral and Social Sciences and Education, 2017-2020

- Program Committee Chair, Summit on Social and Behavioral Sciences for National Security, Division of Behavioral and Social Sciences and Education, 2016
- Committee on Strengthening Data Science Methods for Department of Defense Personnel and Readiness Mission, Board of Mathematical Sciences and Statistical Applications, National Academy of Engineering, 2015-2017
- Committee on National Statistics, the National Academies, 2009–2015
- Committee to Review the Quality of the Management and of the Science and Engineering Research at the Department of Energy's National Security Laboratories, National Academies 2011-2012
- Committee on the Evaluation of Quantification of Margins and Uncertainty (QMU) Methodology Applied to the Certification of the Nation's Nuclear Weapons Stockpile, National Research Council, 2007–2009
- Chair of National Academy of Sciences panel study on Defense Modeling, Simulation, and Analysis: Meeting the Challenge, 2004–2006
- Computer Science and Technology Board Committee on Information Technology and Federal Services, National Research Council 1998–2002
- NRC/NIST Information Technology Laboratory Review Committee, Chair the Statistics Engineering Division sub-committee, 2002–2004
- Chair of the National Academy of Sciences' Committee on Applied and Theoretical Statistics, 2001–2003, member of committee in 2000
- National Academy of Sciences' Board on Mathematical Sciences and Their Applications, 2001-2003
- Committee on the Research on Future Census Methodology, National Statistics Panel 1999–2003

BOARDS

- Senior Advisory Board, Center for Statistics and Applications in Forensic Evidence, 2016-present
- Scientific Advisory Board, Canadian Statistical Sciences Institute, 2016-2020
- Board of Trustees, Institute for Pure and Applied Mathematics, 2013-2020
- National Security Agency Advisory Board Future of Computing Panel 2014-2017
- Board of Directors, Fields Institute for Research in Mathematical Sciences, 2012-2014
- Board of Trustees of the Institute of Pure and Applied Mathematics, 2009–2010
- Science Board of the Santa Fe Institute, 2008–2010
- External Advisory Board of the Southwest Research Institute, 2009–2010
- Advisory Board of the Center for Discrete Mathematics & Theoretical Computer Science, 2008–2012
- SIAM Science Policy Board, 2003–2006
- Interface Foundation Board Member, 1993–1997

PROFESSIONAL ASSOCIATIONS

- Chair, Chair Elect, Past AAAS Chair Section U (statistics), 2014-2017
- Program Committee for AAAS, 2011-2014
- Committee on Nominations Committee of AAAS, 2009–2011
- Executive Committee of AAAS Section U, the Statistics Section, Elected Member-at-Large, 1999–2002
- Elected American Statistical Association President: President Elect 2005, President and Chairman of the ASA Board of Directors 2006, Past President 2007, member of executive committee 2005–2007
- Chair of Committee of Presidents of Statistical Societies, 2001–2003
- Elected Member of the ASA Board of Directors, 1999–2001
- Committee of Presidents of Statistical Societies Lecturer

- Overall Program Chair for the Joint Statistical Meetings, 1997
- Committee of Presidents of Statistical Societies Presidents' Award Committee Member, 1996–1998, Chair 1999
- Section Chair of the *ASA* Statistical Computing Section, 1996
- Program Chair of the *ASA* Statistical Computing Section, 1994
- Program Chair-Elect of the *ASA* Statistical Graphics Section, 1994
- Committee on Meetings, *ASA* 1993–98
- Committee on Nominations Committee of the *American Association for the Advancement of Science*
- Program Chair of the *ASA* Statistical Education Section, 1991

OTHER PROFESSIONAL CONTRIBUTIONS

- JASON Study Group, 2007–2022
- Steering Committee, Big Data program, Canada Statistical Sciences Institute, 2013–2017
- President's Advisory Panel for the Department of Statistics, Carnegie Mellon University, 2013
- Scientific Panel on Statistical Sciences for International Council for Industrial and Applied Mathematics, 2008–2011
- Chair of External Review Committee, Purdue University Statistics Department, 2010
- Chair of the Network Grand Challenge Advisory Board for Sandia National Laboratory, 2007–2010
- EPA/Office of Research and Development's National Center for Environmental Research Standing Subcommittee (Federal Advisory Committee), 2007–2010
- Department of Energy Office of Science Task Force to develop a strategic plan for the Applied Mathematics Program, 2007–2008
- External Review Committee, Purdue University Statistics Department, 2004
- External Review Committee, Harvard University Statistics Department 2004
- Chair of the Fourth International Conference on Mathematical Methods in Reliability, 2004
- Chair of Interface 2000: Symposium on the Interface of Statistics and Computation Sciences
- National Advisory Committee for Statistics and Applied Mathematical Sciences Institute (SAMSI), 2002–2007
- President's Advisory Panel for the Department of Statistics, Carnegie Mellon University, 2002
- Geostatistical Sciences Project Review Committee, National Center for Atmospheric Research, 2001–2003
- Executive Committee of the National Institute of Statistical Sciences, 1999–2003
- Continuous service on National Science Foundation Review Panels throughout the foundation
- Continuous service on Department of Energy, Office of Science Review Panels
- Referee for professional journals and funding agencies in Statistics, Mathematics, Computer Science, and Engineering, Social Sciences, and Policy

FUNDING: 2014–2022

- U. S. Census Bureau, Towards a 21st Century Curated Data Infrastructure, \$750,000, 2021–2022, Principal Investigator
- Mastercard Center for Inclusive Growth, Regional Social Impact Data Commons for DC Metro Area, 2021–2022, \$1,000,000, Co-Lead
- Virginia Department of Health, Rural Health Data Commons, 2021–2022, \$725,000, Co-Principal Investigator
- National Science Foundation, National Center for Science and Engineering Statistics, Leveraging Data Science Capabilities and Methods, 2020–2022, \$1,500,000, Principal Investigator

- U.S. Army Research Institute (ARI), Developing Predictive Models of U.S. Army Career Pathways through the Integration of Multiple Army Administrative and Other Data Sources, 2019-2022, \$1,824,979, Principal Investigator
- U.S. Army Research Institute (ARI), 2019-2020, Towards an Integrated Data Framework for Understanding the Context of Military Environments (extension), \$286,826, Principal Investigator
- Bill & Melinda Gates Foundation, Towards a National Community Learning Network, 2019–2020, \$1,000,000, Principal Investigator
- U.S. Department of Agriculture (USDA), Applied and Foundational Research Initiative (AFRI), Food and Agriculture Cyberinformatics and Tools (FACT), 2019-2021, \$1,000,000, FACT: Three-State Data Science for the Public Good Coordinated Innovation Network, Principal Investigator.
- Fairfax County, Virginia, 2019-2020, Maximizing the Use of Existing Data for Policy and Planning by Creating Indices for Predictive and Prescriptive, \$125,000, Principal Investigator
- U.S. Department of Agriculture (USDA), Economic Research, 2018-2019, \$400,000, Impacts of Infrastructure Development on Rural Property Values, Principal Investigator
- Alfred P. Sloan Foundation, 2018-2019, Census 2030, \$125,000, Principal Investigator
- U.S. Army Research Institute (ARI), 2017-2022, The Social Component of The Human Dimension: Leveraging Existing DoD Data Towards Optimized Individual And Team Performance in the Army, \$3,027,401, Principal Investigator
- Arlington County, Virginia, 2017-2018, Identifying Current Status, Performance Metrics, and Options for Improving Customer Services Through Arlington County Call Centers, \$40,000, Principal Investigator
- U.S. Department of Agriculture (USDA) (National Science Foundation (NSF)), 2016-2020, \$2,250,000, Use Statistical and Survey Methodology Research to Improve or Redesign Surveys, Principal Investigator
- Gallup, Inc., 2016-2017, (Defense Advanced Research Projects Agency), Leveraging Smart Cities Sensor Technology for Urban Population Assessment, \$49,285, Co-Principal Investigator
- Laura and John Arnold Foundation, 2016, \$144,000, Principal Investigator
- American Statistical Association (National Science Foundation (NSF)), 2016, REU Site: Diverse Undergraduate Research Experiences in Statistics, \$38,666, Principal Investigator
- U.S. Army Research Institute (ARI), 2015-2019, Towards an Integrated Data Framework for Understanding the Context of Military Environments, \$1,978,163, Principal Investigator
- Procter & Gamble, 2015-2016, Transportation and Warehousing - Developing a Portfolio of Collaborative Research Principal Investigator, \$105,874, Co-Principal Investigator
- MITRE Corporation (U.S. Census Bureau), 2015-2016, A Pilot Study to Establish Data Use and Quality Standards for Using New Sources of Structured and Unstructured Data, \$578,499, Principal Investigator
- MITRE Corporation (Centers for Medicare and Medicaid Services), 2015, Independent Assessment of the Health Care Delivery Systems and Management Processes of the Department of Veterans Affairs (VA Choice), \$99,997, Principal Investigator
- Procter & Gamble, 2014-2016, P&G End-to-End (E2E) Digitization and Supply Chain Modeling, \$525,000, Co-Principal Investigator
- National Network of Public Health Institutes (NNPHI), (Robert Wood Johnson Foundation (RWJF)), Creating a Culture of Health - Obtaining a Diverse and Broad Perspective on Role of Health Information Technology (HIT), 2014-2015, \$175,000, Principal Investigator
- Procter & Gamble, 2014, Brazil Problem, \$75,000, Principal Investigator
- Procter & Gamble, 2014, P&G Sankey Visualization for United Kingdom (UK) & North America (NA) Shipments, \$50,000, Co-Principal Investigator
